### CATHOLIC VETERANS APPLAUD CONGRESSMAN CHRIS SMITH (R-NJ)

ALEXANDRIA, VA: On Tuesday, March 31, 2009, Representative Chris Smith (R-NJ) addressed the House of Representatives with remarks challenging Secretary of State Hillary Clinton's confusing and contradictory actions during her recent visit to the Shrine of Our Lady of Guadalupe and her next day acceptance of the Margaret Sanger award from Planned Parenthood.

Today the CWV wishes to express our deepest thanks to Congressman Smith for his public defense of the unborn children of our nation and his promotion of the culture of life.

It is wholly appropriate for our citizens and elected representatives to examine and question the statements and actions of our nation's top diplomat, and to call her to task when she clearly takes the faith of many American and Mexican Catholics so indifferently. publicly support and laud the documented racist, abortionist, eugenics adherent, and former fugitive, Margaret Sanger, Secretary Clinton showed her ignorance of, and lack of respect for, the faith of millions of American and Mexican citizens.

The CWV joins with Representative Smith in publicly proclaiming that the American people deserve better and more coherent representation from our Secretary of State.
